

## We can't wait to celebrate with you.

We have a host of festive treats waiting for you this winter, all included in your stay package. If you have arranged a transfer with us, we will be waiting at the airport or Aigle station for you with a hamper ready to begin your holiday in style, bubbles and olives on your drive up to the Mountains.

Our spa, cinema and games room are available for use throughout your stay.

Our team are on hand to assist with advice about ski lessons, guiding and ski schools. We are also happy to be able to organise a range of activities such as sledding, husky rides, snowshoeing and more. Please ask a member of the team for more details.
